

THE SCHOOL

Cape Cod Dance Center was founded in 1989 with the objective of training dancers in classical ballet and creating performances on the cape such as the Nutcracker and other classics. In 2001, the school's program expanded to contemporary dance, ethnic dances such as Flamenco & African dance, and a growing yoga and Pilates program.

In 2009 the studio relocated to 1340 County Rd where the Mary French studio thrived for 30 years. This relocation brings together 50 years of dance, combining our ballet and contemporary dance program with tap, Jazz, and ballroom dancing.

OUR MISSION

It is the school's goal to provide well-rounded dance education and artistic inspiration to all students of dance, with the care and the attention needed to make it a positive experience. We are motivated to develop even the youngest dancer's interest and potential with the goal of helping each one find a greater sense of self-esteem through the study of dance. All prospective students are encouraged to visit the school and observe a class.

THE DIRECTOR

The school is directed by Eveline Carle. A native of Montreal, Ms. Carle was trained at L'Ecole Superieure de Danse du Quebec after which she performed with Les Grands Ballets Canadiens. She traveled throughout Europe before moving to the United States in 1998. An award winning choreographer, Ms. Carle produced her first dance concert at age 16. She has choreographed & directed eight complete ballets in the last 6 years and produced over 23 dance concerts since her arrival on Cape Cod eight years ago.

OUR PERFORMANCES

CCDC is proud to present the Annual Nutcracker in Falmouth. The production of the holiday classic has been a community tradition since 1995. The performance will take place at the Lawrence School on December 12th & 13th 2009. CCDC will present another full length ballet in the spring 2010.
